

It's time to celebrate your body

Alison Groves Photography has got together with House of Fraser to help you look good nearly naked.

We'll whisk you away to a luxurious venue where we'll dress you in gorgeous lingerie and transform you with professional make-up and hair styling. You'll then experience the fun and excitement of a photo shoot where we'll capture exquisite images of you to cherish forever.

Our Boudoir photography service starts at £295 but if you spend £50 or more in the lingerie department today, House of Fraser will give you £100 towards the package of your choice. Ask a member of staff for details now or visit us at www.alisongroves.com
